Scramble Format: All players tee off. The "best shot" is selected. All players then hit from this spot, within one club length, no nearer the hole. You may not move the ball out of the rough or out of a bunker etc. as the "best shot" lies. Putts must be played within one putter head of the "best shot" on the green, no nearer the hole. Do not tap in any short putts until everyone in the group has attempted the previous shot. The first ball holed will be the score that counts for the team.

Rules:

- We appreciate all golfers wearing proper golf attire including a collared shirt and no denim. Soft spikes only.
- Men shall play from the white tees; Women from the red tees.
- All score cards have to be turned in and added up. What you mark on your card is what you will get. Please turn in at the golf shop after play.
- Please leave all event flags out on the course. **DO NOT PICK THEM UP.** We have someone assigned to do this.
- Complimentary driving range during registration—balls on range.
- Please keep all carts 30 feet from the tees and greens.
- Please repair ball divots.
- Two putt rule will be in effect.
