Dear Beth,

Thank you for your organizations's generous gift of \$2,500 to St. Vincent Cancer Research Institute. Your gift will be used exclusively for ovarian cancer research. We truly appreciate your support of our healing mission.

Every day we encounter superheroes in our hospital. We see patients of all ages and from all walks of life going to battle against life-threatening disease and injury. Their battles can be epic or minor. Yet, generous people like you provide us with the gifts needed to help them win the battle.

This is a difficult time of year to be in the hospital. Your support now means so much to so many. On behalf of the hundreds of heroic patients whose struggles don't take a holiday, I thank you.

On behalf of Administration and our Hospital Sisters, I wish you a peaceful Holiday season and a joyous New Year.

Thank you again for your generous gift and your kind spirit.

Sincerely,

Bobbi Giles
